## LAKESIDE OFFICE CENTER

Lakeside Office Center consists of 134,443 square feet of Class A office space. The office building is situated in one of South Florida's most desirable office and residential submarkets.

The building is located on a beautifully landscaped, 12.43 acre parcel with lake frontage. With newly renovated common areas, the building's architecturally unique and distinctive design is comprised of modern winged edges and intertwining glass and stone, while accentuated with a two-story glass atrium lobby.

The two-story glass atrium is accented by a balcony which surrounds the exterior portion of the lobby and features generous amounts of natural light on one side and lake views on the other. Newly constructed parking garage provides covered parking.
